Berlin - While German banks began queuing up for government's 500-billion-euro plan for shoring up the flags begun emerging across the lawn in front of the na the Reichstag. Swiss-born artist Enrico Centonze ho altogether with each flag representing 100 billion eurc that the government rushed through parliament last we

"Art should always be a part of political life," said the 27

However, Centonze had not sought official permiss commentary on Berlin's rescue plan so he found him: flags in the face of police action to remove them.

But while Centonze's exhibition took the parliament's a passers-by reacted positively to his exhibition, sayin exhibition drew people's attention to the financial crisis.

Indeed, Centonze said he hoped his action would ge crisis, adding that people had been surprised by the scope of the upheaval that had recently sent global shares

After all, he said, it is the people who will end up pickup in the bill for the rescue operation.
